Dear Ms. Milford,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2018-319-E - Application of Duke Energy Carolinas, LLC for Adjustments in Electric Rate Schedules and Tariffs and Request for an Accounting Order

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Duke Energy

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I wish to protest the rate increase of 12% by Duke Energy. I believe there are other ways for Duke Energy to preserve costs in order to do the maintenance etc. that they are requesting this increase. When I budget I don't have the opportunity to ask for a bigger paycheck, I have to rearrange my budget in order to meet the need that I have. Duke Energy is a monopoly and spends excessive amounts of money and there are ways in their budget for them to cut back rather than put the burden on customers who are already paying huge amounts in utility bills. The CEO could do without a raise increase for years. Someone who makes that amount of money could do without a raise!!!

Every time the wind blows at my house, my power is lost. There have been times I have asked Duke to trim the lines but they do not do so. Where in the world dos all of the money go?

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
